8x8"
12x12"
Thickness: 5/8"
Service Shop Delineation
and Service Reception
Surface: R11

Architects' choice of grout - grey color recommended.

Technical Values

Water Absorption	<0.10%
Scratch Resistance (Mohs scale)	7
Slip Resistance (R10/R11)	DCOF value \geq 0.42
Chemical Resistance	Acid Resistant Alkali Resistant
Frost Resistance	Exceeds Standards
Break Strength	73.3 N/mm ²
Dimensional Accuracy	+/- 0.2%

All testing performed per or by the TCNA and/or DIN specifications/procedures. Most recent TCNA DCOF test reports are available upon request.
