Size: 4x8"  
8x8"  
12x12"

Service Shop and Service Reception Surface: R11

Thickness: 5/8"

*Architects' choice of grout - grey color recommended.*

## Technical Values

Water Absorption	<0.10%
Scratch Resistance (Mohs scale)	7
Slip Resistance (R10/R11)	DCOF value $\geq$ 0.42
Chemical Resistance	Acid Resistant Alkali Resistant
Frost Resistance	Exceeds Standards
Break Strength	73.3 N/mm <sup>2</sup>
Dimensional Accuracy	+/- 0.2%

*All testing performed per or by the TCNA and/or DIN specifications/procedures. Most recent TCNA DCOF test reports are available upon request.*
